“ I wanted to send my condolences and give a shout out to Brian. I have a sick kid at home so I won't be able to make it today to say my goodbyes and visit with some old friends in his regard. He was so amazing in the short time we got to know each other. We talked on facebook from time to time since then. My favorite memory is when we went to Chicago with a group and all he wanted to do is wonder and pan handle. That was him. The world will miss your free and loving spirit!
