“ Charlie and family,  
so sorry to hear of Danny's passing. He was a great guy. Always dedicated to show his respect and be present at the funerals of many of the Carsonville friends and family. It was always special to see him there. We're sorry we can't be there for him this time. Our grandmother( Carmelita's Mother) was 100 years old and passed and her services are in Illinois the same days. So glad to hear he had such a great life and loved by so many. May God Be with you and your family in this time of sorrow.

“ Mac was the epitome of kindness, integrity, duty to God and country, compassion and dedication to his job. He has helped me jump through all of the "hoops" with the VA - I don't know what I will do without him. Will miss our long phone calls and watching fireworks with him. There is a special place in heaven for him. A piece of Fred's heart went with him. God speed dear friend.

“ Fond memories of Dan. We worked together at Sears at NW Plaza for a while, and then after I completed Army Basic and school we again worked together at Sears, building one of the first Sears Paint & Hardware stores in the STL area out in St.Charles. He was a great guy. My prayers and condolences to his family.

“ There's a lot of people that will miss "Mac".....  
My Life would have been a totally different Story... But thanks to Mac and his kindness ...  
and His Dedication to his "Job"... He's made my latter years more comfortable ...  
He's Saved lives ...one of my friends .. wouldn't have been alive today if not for Mac...  
He was so Compassionate for a person in his Career ... He touched so many lives...  
I can't say enough about him ...But the most I'm truly proud of, is to be able to call  
"Mac"  
my Best Friend.....  
This world will Surely miss Mac....I know i'll miss those "1st" Friday lunches in Warrenton..  
The Lord puts people like Mac on this Earth as an Example for us....  
Thanks for your Friendship and sharing your knowledge of your VA experience...  
again Thanks my Friend.....

“ In Memory of a great man I am at a loss for words. During the eleven years I had the pleasure of working with Dan he inspired me every day with his wit and calm demeanor.

I cannot express the feeling of sadness when I was informed of Dan's passing. It makes me think of his unselfish service to the country he loved and his dedication to each and every individual of the Woodson Terrace Police Department.

Rest easy dear friend, you will never be forgotten.

Your comrade and friend

“Mac” was a very “Special” Veteran and Policeman. He helped so many people go through some very difficult times. While I was at meetings he and my husband “Bill” would talk about their military experiences and enjoy each other’s company. “Mac” would always help pick up the toy donations for ToysforTots and put them in my truck. He didn’t want me lifting anything. I missed his kindness and smile when I picked the toys up today. My husband died in 2013 and “Mac” was so compassionate. I know “Bill” and “Mac” are enjoying their coversations together in heaven. Semper Fi!! Rest in Peace. You will be missed!
