“ Florence was babysitter extraordinaire for our four sons. I will miss her phone calls wishing us a happy birthday and checking on us. She had an amazing capacity for love. She was also up to date on the latest national developments. Her faith in God was inspirational. I know that she is in heaven and can hear her laugh as she looks down on us. I imagine her saying, "It's OK baby - I've got this!" We will miss you Florence and will cherish our memories of you.

“ Florence had the best smile and laugh. Her joy lit up the room. We became fast friends at Mt. Zion Missionary Baptist church in the 80's. She learned that I did taxes. I became her "tax lady" forever! Even when I no longer worked in an office, she'd bring them to me. we would sit and catch up on family and friends. She also became very close friends with my Mother-in-love. They helped each other out a lot. I will miss that call that I would get next week reminding me that it's tax time. Love you Flo! You are etched in my heart. I know you are delighted now as you walk with Jesus. blessed are those who die in the Lord, they will rest from their labor and their great works (Florence's great works) will follow them! Love you and will miss you! Until we meet again!

“ Hi my name is Cynthia Lampkin, I have known Ms Florence since I was a kid in high school. Ms Florence was a dear friend of my mom Bernice Mitchell for years until my mom passed in 1982. I remember when I was in high school and had to participate in a high school pageant and Ms Florence was instrumental in showing me how to model for the pageant. She was so much fun and loving and I loved her very much. She will be greatly missed!

She often visited our former home in Bellefontaine Neighbors, MO. She helped me through his loss in 2017. After I moved to Dallas, TX, I talked with her often over the phone. She was such a blessing! Her conversations warmed my heart! I drew strength and so much knowledge from our conversations. She will be dearly missed. From GAIL MITCHELL
