“ My thoughts and prayers are with Marie, Marilyn, Ron and Carol and their families. Gordon was a true gentle man and one of the nicest people that I have been fortunate enough to know. He always greeted you with a smile, an interest in how things were with you and stories to tell. He truly lived a good life and will always be remembered as a kind, giving man. He left a warm place in many hearts.

“ I have such fond memories of Uncle Gordon, and all the activities our families shared together. Even now, we reminisce about those times. We always laughed when friends (and sometimes family) mistook him for his twin brother, Roy (and vice versa). He will be forever in our hearts. He lived a good life, and a long life. He will be missed. My deepest sympathy and love to his family. Barb Blankenship
