“ Joe had many jobs before working at the Ballwin post office. As a young man, he worked at Acne pet shop on Big Bend. He worked at Glaser drug in Richmond Heights. He worked at Kroger in Clayton. He worked at a print shop for a short time. He had a dog grooming business. He worked at Western Electric. Then he was fortunate to work as a special delivery messenger at the Ballwin post office before becoming a letter carrier. He was always a hard worker in what ever job he had. He always provided for his family and loved his family dearly. My husband of 52 years.

“ Joe and I worked together for many years and I enjoyed his friendship a great deal. I had a lot respect for Joe's vast knowledge and his love for music. I look at Bill and Pats memories and see he also shared a number of CD's with them as well, he loved to share his music. Have some great memories from a number of float trips we went on with the P.O. bunch also. Joe was fun to be around! I'll miss him.

“ Joe was a great friend since junior high. We shared many interests including raising fish, hamsters, and fishing. Before Joe built his house in Catawissa, his parent's invited me many times to week end trips to their cabin on that site. We would fish in Leech Lake and carry the fish in buckets back to stock their pond. We also spent time swimming in that pond. Up the hill was the Nike radar installation. In later years, my oldest two sons enjoyed our trips to visit Joe and fish in his pond. They also enjoyed talking to Joe and seeing his goats and chickens. Our friendship continued through out high school and college to the present. . Joe was the go to guy if you had questions about fish. I will greatly miss him.
