“ Your time with us was always so much fun and I enjoyed watching you grow up from diapers to the beautiful women you became. My sweet girl you touched my heart and will always be remembered. You would walk right through the front door and go straight to the frig for pickles and then raid the pantry and dash right back out. You made going to the creeks, swimming holes and rivers so much fun. Memories of you will last forever in my heart, your an Angel now and I love you, fly high.
