“ I can't believe Linda is gone. Linda and I were best friends through grade school and high school. Played softball together for many years. Still remember spending the night at her house on weekends with Candy and Debbie, the little kids. :) we would walk to riverroads on Saturdays with our hair in curlers cause that was date night! One time while she was working at Woolworths she told me about a lady that came in looking for sealing wax. She said I guess it's over there with the other waxes, then said to me why would anybody want to wax their ceiling? We had great times. RIP Linda

“ We spent a lot of time together when we both were much younger. Linda and Paul would come out to our place and Linda and myself would share a bottle of wine and hit the trails on our motorcycles, boy did we have fun back then. Lost touch with these dear friends and truly regret that.

“ I wanted to share a few photos of Linda from work events and from her retirement party at Weber Industries. She was missed very much when she retired and even more so now. We have fond memories of working with her as do many of our customers who just loved her kind personality and joyful spirit. She was so much fun to work with! She was an integral part of the Webtrol family and will be forever missed.

“ I did get to meet Linda but her beautiful sister Debbie is my best friend and has helped through many things in my life. I can only imagine that Linda and Debbie have the same kind and gentle heart and loving spirit. From everything Debbie ever told me about her sisters and mother I am sure that they all shared the same kind of strong love of family and friends. I know Linda will be missed by many but mostly by her sister and her loving husband and children. May she rest with Jesus Christ forever and ever

“ I have personally never met Linda but know by dealing with her what a wonderful person she was. I dealt with her as a customer out of Indianapolis, Indiana since the 80's. She definitely left an impression as she was sweet, super friendly and very good at her job.

I always enjoyed dealing with her.

She truly will be missed by all.

My thoughts and prayers are with her family and her "work" family.

“ I worked with Linda back in the early 90's. We worked for Tektronix & both of us went to Beaverton, OR. for a year to train people to do our job. The St. Louis office was closing & my job in the Seattle office was moving to Beaverton. We became good friends & I enjoyed her company so much. My condolences to her family. “ This amazingly beautiful woman was the epitome of grace in a bundle of firecrackers! My heart will forever cherish each memory I have with Linda. This woman was the life of every party, kayaking to each dock to gather goodies to bring back to our floating crew! Girls days were always a blast! She loved Big and Gave of herself Bigger! From shared gardens, broken door knob parties, deck talks, floating days and the numerous pop bys Linda was there without fail the biggest brightest smile to light the way! She was a true and dear friend. She loved with us, laughed with us, hurt with us and healed with us. She never complained and fought harder than anyone I know. Linda, Joey and I thank you for all the joy, love and laughter you brought to our lives you will be forever missed from our hearts

“ Linda is my oldest sister. She called me Sukiyaki for some unknown reason.. she let me tag along with her and her friends. She married Paul. After they had Karen they lived right up street from my mom, my middle sister(Candy) and me so I was at their house. You could say like all the time. I will miss her more than words could ever describe. She is in heaven with our momma and our other sister she will be missed but she won't hurt anymore I love you Linda, from Sukiyaki. Until we meet again.
