“ Richard Helling was very helpful to me at a time when I needed his physical strength, push and support as I downsized from my long term home in Crescent MO. He also enlisted his son Jeff to haul away endless useless items, and I am most grateful. Every member of his family is a jewel in their own right, starting with his beautiful wife Judy who has been deceased for some time, but still is missed. Both of his daughters, Stacey and Christine also have been significant people in my life as they helped me and my family over the years with Alicia coming with her mom to my house to help out and later to work in our counseling agency. I am truly sorry for your loss, as I treasure each of you and wish God's blessings for all your family.

With Deepest Sympathy, Pat Boever
