“ *Cathy,
We have so many memories of being at Fellowship with friends and watching our kids growing up. We had a lot of great times and we are so sorry for your loss. You and family are in our prayers.

“ Cathy,
Ron and I remember being at your house warming get together. Woody was so proud of your house and all the hard work you had done. He was happy and proud. We are so sorry to hear of Woody's passing. He was a great man and oh so much fun calling me "grandma" and me calling him "grandpa." I know you are missing him terribly, but rest assured that he is out of pain and now with Jesus with everlasting love. We will sure miss him and hearing of his antics. We are praying for you and the rest of the family during this most difficult time. Love you!

“ To my sweet Cathy we both know how difficult it is to watch those we love suffer. The times we all spent at Fellowship were priceless. I remember when Woody decided to go forward and accept Jesus as his personal savior. The battle within him ceased when he made that awesome decision and when I heard him shut that hymnal I knew Jesus had a new follower. And John will always remember the time they spend together at Cedar Hill putting together the house that brought so many people to the Lord. My heart breaks for you because I know I will be facing the same scenario. Cathy John and I love you and we loved Woody -- such a sweet man. Fly high dear Woody -- it's your turn to know the peace and love that Jesus gives to those who follow him.
