“ *Adolph was my father- in-law for several years until his son Bruce & I were divorced. I have very fond memories of the time spent with him. The best time I can remember is going deer hunting- just him & me. And Adolph killed the biggest deer I've ever personally seen taken during a hunt. That deer was so heavy we went back & got the truck & drove it as near to his deer stand as we could. It was all we could do to get it in the truck. He sure was proud of that deer! And so was I. I'm proud to have called him my father- in law. The world is missing a good man today...*

“ *Adolph will be missed in our community. He would always watch our house and let us know if there was anything going on that he thought should not be. He and Betty have been wonderful neighbors. God be with the entire family. He surly has a great place in heaven to watch over everyone.*
