# Tribute Wall

“ I think of you often Agnes. We had many long conversations sitting in your kitchen and living room. Although we weren't close in age, we were a lot alike. We loved our children and family to no end. I miss those days. I miss making a nice meal Or dessert and bringing some to you. I think of you every time I walk past your house...wishing I could stop in for a visit. ☐

*You are remembered and loved so much my friend. ❤️*
