“ *Christie, my heartfelt prayers and best wishes go out to you and your family. It's such a struggle to deal with the loss of a loved one, especially when it is your child. I can't even imagine what you have been going through, but take comfort in knowing that Alex is smiling down on you from above and is in a better place now. May God bless you and your family in these troubling times.*

“ My "little herpetologist". Although we may be comforted through our faith that our loved ones, Alex, is no longer suffering, struggling or in pain, it does not necessarily comfort those of us left to mourn our loss, that our loved one, Alex, is no longer here for us to talk to them, see them, touch them or hold them in our arms. We only learn to live without them over time. I pray for peace and comfort for you Chris, through your faith. To GOD be the glory! Thank you GOD for accepting Alex in your kingdom, have mercy on his soul, may he rest in peace! AMEN. Peace, comfort and joy to ALL family and friends of Alex in his remembrance. Love you! Always in my heart!

“ You were very special Alex. I have never seen anyone solve Rubik's cubes the way you did.
