“ *Alice used to stop by my office and visit with me when she was living at NCR and I always enjoyed our visits. She used to give me tomatoes from the little garden she had planted outside in one of the flower beds for the residents. My sincere condolences to all of Alice's family.*

“ My memories are when my mother and Alice worked with the Boy Scouts. My brother Steve and Tom were in a troop together. The scouts had a good time with their projects, mom and Alice spent time planning and enjoying the meetings. I remember the laughing and good times they spent together.

“ Alice loved life, the bible, frog legs, her tomatoes and flowers. We will remember her hair in bobby pin curls. She was aware of the way she wanted to look. Looking forward to being reunited with her when Jesus calls, "Alice come out." (John 11:25, 26, 35, 43) Will miss her, know you will too.
