“ *I knew Alicia since I moved next door to her in 2003 with only a wall between us. She welcomed me right away with her smile and bright personality. We both had dogs so we often met in the back when taking them out. Most of the time we had time for a conversation. I think she was as sad as me when my dog passed recently. We talked about a lot of things. Our travels, her work and other personal things. She loved going on trips with her close friends. She would always tell me when she was going so I could keep an eye on things. She loved spending time with Gage and Sophia. I've had health issues the past two years and she always asked how I was doing. She was very kind and sincere. I will truly miss her and Moxie.*

“ *Alicia you warmed every person you looked at with your smile. No matter where I saw you, I always felt that warm sweet spirit. We met in middle school went thru high school, and even 43 plus years I could see you once in a while and still got that warm sweet loving hug, and a bonus, that smile. I will miss you, you were one in 5 million, I love you forever. See you again some day. Sherry Davis*

*Alicia was my niece and also my neighbor. She was in my wedding at age ten. I never tired of hearing her say she had the best time ever, dancing and dancing. I will miss seeing her run by with Moxie, her beloved dog, and many times an impromptu chat if I happened to be out, too. You could always count on a smile and a giggle and the day was suddenly brighter. I admired her, loved her, and will miss her forever.*

“ I was introduced to Alicia through Sherry Patterson and we immediately connected. Her beautiful, kind heart was as genuine and real as anyone I have ever met. Her infectious laugh and incredible smile will forever be a part of my memories of her. We all traveled to Mexico together and she had the amazing gift of making everyone feel like they matter! What a gift she was in my life and my heart breaks for all, of her family, her friends and anyone that ever met her! May her memory be forever eternal!

“ I read Cindy and Suzanne's post and agree wholeheartedly and can't say it any better. Alicia was so kind hearted. I will treasure the necklace she gave me 15+ years ago - a flip flop with a turtle on it - that commemorated the time we went to the lake together and her knowing how much I loved turtles. A totally unexpected gift - but that was how she was, thinking of others and just a wonderful person. Like everyone else, I'm in shock and can't imagine what those closest to her must be going through. Our prayers are with everyone who's touched by her passing.

“ I met Alicia while working at K Mart back in the 80's . I remember going to 2 Loverboy Concerts with her and several of her friends. She was a very kind, caring, loving, funny and beautiful person inside and out. She was taken way to early. I'm so sorry for your loss. Sending prayers and hugs to her friends and family.

“ *Alicia was such a beautiful, kind soul who was loved by many. She could brighten any room she walked into, make you laugh until you cried and your belly hurt, and make friends with someone in a matter of moments. She was truly one of a kind. I knew Alicia through many walks of life-- I was always amazed how many ways our paths crossed-- she was a family friend, former babysitter, niece of my parent's neighbor, friend to many of my friends, former neighbor to close friends, and former co-worker. I'm still in shock that the world has lost this truly amazing, very special lady. My heart completely breaks for her family and all who were lucky enough to have been touched by her light in some way. I send my dearest condolences and hope that you find peace in the many days to come. God truly got an amazing angel when He called Alicia home to his side. Fly high, special friend. You will be truly missed by many.*

“ This Beautiful young lady and me her cousin Glen who grew up so close together kickin rocks, fishin in the little hole below the damn on the farm in Ricwoods, sleigh riding at her house in High Ridge and me sliding over a bumper tearing the seat outa dads knew coveralls. Never was there a time when Alicia and me wasnt giggling bout somethin. Just recently we had been talkin more seeing each other when she could she was a very busy young lady. The gigglen and laughter picked up where we left off. Just as we were starting to make new memories God needed a Beautiful Angel so he called my Cuzz home. I am devastated. But I know Alicia will be waiting in Heaven for us all to make more memories with her. I love ya Cuzz I miss ya so much already

Although I never met Alicia in person, I can easily feel as though I knew her, because I have the pleasure of knowing her parents, Garnet and John. Alicia could have been nothing but the sweet and loving woman she was as she had most special and loving parents, brother and all of her close and caring family. My heart is with you all in this time of great grief and loss.
