“ *It was our blessing to have gotten to know this beautiful and sweet lady. While she may have been our momma's roommate when we first met, she quickly became a loved one of ours as well. Lots of sweet memories and a special place in our hearts she will have. I know how hard this loss is, as it has only been four months since my momma went to heaven. I will keep you all in my prayers and rejoice in knowing that one day we will see her again.*

“ I had the wonderful opportunity to meet and have Allena in my home a few years ago. That day was extra special because it was Ray, Mary Beth and Allena and we had a fun little celebration of Ray and Allena's birthday. I will always remember that day and the beautiful people I was surrounded by! This was the first time I had met Allena and after meeting and talking with her I felt as though I had known her my entire life. She was a woman with a genuine and kind spirit, poised with beauty inwardly and outwardly! Regardless of the short time I spent with her she gave a part of herself to me and it has made an impressionable mark of warmth and goodness in my heart!

My deepest sympathy and condolences to all the family and friends that knew her and for this tremendous loss in your lives. My prayer is that God will hold dear to those hearts all the beautiful memories she has left with each of you forever and forever!
