“ *Mickie and Kiefer (Keith) I was just thinking of Jan the other day and browsed through her facebook. I'm so glad I knew this family for many years ago. Lots of good and fun memories. Whenever I was lucky enough to see her out an about and we'd talk it was like we had never been apart. As the tears flow from my eyes I'm so sorry for what the family is going through. If it weren't for this stupid virus I would love to pay my respects. But just think she is final "Home At Last" an one day I will see her. Now her and my mom can drink coffe or tea and catch up on old times. God Bless and my prayers are with you all. Mary Jo*

“ *Jan was a very hospitable lady. She would invite my family to her house for strawberry pie when we first met. A sweet lady and will be greatly missed. I do not believe she would change places with any of us. She is now singing in the choir in heaven.*
