“ *I remember Alon as one that could get along with anyone from any clique in High School. We rolled around on skateboards and crawled around in caves together. He was popular and fun to be around. Sorry for the loss.*

“ Alon was an amazing person and a lifetime friend. We first became friends in middle school; although we went to different schools we were at High Ridge Skate Center every Friday. After High School we became even closer friends. Alon could always put a smile on my face and filled my heart with happiness. My memories of our times together will forever be cherished and he will put a smile on my face the rest of my days when I think of him. Terri - I am here when you need me, you are so incredible Ron will be the rock that you need. To the rest of those who loved Alon I am so sorry for your loss and what a wonderful person to be blessed to have in your life the time that you did.
