“ I want to say I am sorry to all the family and friends of the loss of your loved one. I know this is kinda late in time, but I just found out the news tonight, which is march 17th. I was a very close friend/girlfriend sometimes to Bill. We have known each other for 4 years. We had alot fo fun times together, alot of laughs, and of course we had some sad times too. But to me Bill held a special place in my heart and I loved that man dearly, its just last few months was kinda shakey. I know I will miss him in so many ways, from chatting on the computer, to playing poker stars with him, or just sitting watching a movie together. I feel so upset with myself that I missed this whle thing, but u can bet I will be at his graveside just as soon as I find out where he is buried. To all the family , which I think I met most of u guys, thanks for taking me into your home at the times I was with Bill. Had very nice dinners performed and good talking to u all. Please keep in touch with me as we all can be friends. Again I must say Bill I Love U and My Love will always be there and will always be thinking about u. Love Pam Gegg

“ Ed,

*Thanks for being you this past lifetime. Some of the best memories of our lives were riding to the sound of the guns with you.*

*I will see you soon enough at Fiddlers Green with my empty canteen.*
