“ You were one of my best friends and I just can't believe your gone. We had our ups and downs, but I loved you even when we weren't getting along, We had so many good times together always doing silly stuff, especially when we would use the filters on Snapchat, you would laugh so hard you tinkled yourself. No matter what though, we would always find our way back to each other and it was like we never skipped a beat. Arlene I will always love you and I miss you so much! Say Hi to my brother for me and y'all don't harass the other Angels ❤️ Fly high my friend and I'll see you on the other side!! Hugs and kisses 🥰
