“ You came into my life as a surprise, one of the most real friends I've ever had, never afraid to tell me how it is be it good or bad but you were honest and straightforward with it and that's what I loved about you. I'll always cherish our talks and idiocracies, the laughs, the heartfelt one to one moments and the secret fishing spot I swore never to go to without you. I miss you very much my friend, thank you for every memory you blessed me with. I will cherish every one of them. Keep the angels In Line and the devil at bay as God holds you to watch over all.of us. Love you girl. Always your friend to the end amigo. Ill miss hearing you call me cracker .lol. my heart aches for the world needs you here. God bless you Ashley. Thank you for being my friend.
