“ My deepest condolences go out to all of Ashley's family and friends. Ashley will be dearly missed-her beautiful smile, great sense of humor, and her down to earth style. I enjoyed every moment we spent together and will cherish the memories forever and in turn I am honored to have known such an amazing soul. She was my rock and always there for me when I needed a friend. May God create peace for the family and shower them with his comfort during this tragic time.

“ This was horrible to hear. Ashley was such a great girl who made everyone around her feel comfortable. She was always 100% herself (loving, caring, hilarious, so SOULFUL and energetic). My young memories with her will always be cherished. Her family is in my thoughts & prayers, I can't imagine what you must be going through.
