“ *Barbara has been my friend since our days together as St. Louis U faculty wives and then as Friday bridge partners. What fun we had! Deepest sympathy to all her family.

“ *We were so sorry to hear of her passing.
I wish we had been able to have another family reunion before this happened.
My husband Earl also died that same week. I see they were both born on July 2 as well.
He liked Barbara very much as did we all. She was so gracious.
Karen Downing and Zana Downing Cook.*
