“ *Such sadness has come to my heart with the passing of "Cookie" Barbara Felty Hood. We became fast friends when she transferred to FJ Reitz. What a wonderful friend she was and will remain in my heart forever.*

“ *I will never forget my oldest and dearest childhood friend. We went to grade school and part of high school together. We took baton lessons and were 3 days apart in age and barely 5 ft tall. Her nickname was Cookie and that is how I will always think of her. Even though we went our separate ways, she was always in my thoughts, prayers, and dreams. Her greatest joy was her family. She always wanted to be a mother and loved her children unconditionally. I feel blessed to have been her friend.*
