“ *Barb was very special to me. I loved her like she was family and she was to me. What a Wonderful World this would be if more people were like her. I will cherish all the times we sat and talked for hours. She was one of a kind and my dear dear friend. She was good and kind and funny and supportive and always there when anyone needed her. There is definitely rejoicing in heaven.*

“ *I can't say enough how much I loved and admired Barb. Friends since school & all the days since. She was as beautiful on the inside as out. She loved life & fought the good battle. I lost my best friend and confidant. Our loss is Heaven's gain. May you rest in eternal peace, Barb. How beautiful Heaven must be! The Angel and Star that you have become will light the path when we follow you.*

“ *One of my favorite memories and one of my most painful ones is watching Kevin throw a football straight up in the air really high and then watching it come straight down into my nose. And Barb yelled at him like he did it on purpose. Got my revenge through Babs sweetness. Love You So Much. ❤️💔. Barbi, Give My Love to My Family in Heaven. And a Great Big Hug To Wayne.*
