“ *To all Barbs family, you have my deepest condolences! I loved her like a Mother for many years. She was so good to me when my parents moved to Atlanta. She rented her basement apartment to me and her and Leonard were just what I needed. They not only made sure I had a place to live but they made sure I was okay. They loved me and looked out for me and I have never forgotten the kindness and love they shared with me. I'm sorry to say I hadn't visited with Barb for the last few years but I always knew she would swing those arms wide to share a hug and want to be updated on my life and share hers with me whenever I saw her. I can't say anything but positive things about this precious women and I'm just sorry I didn't find out sooner so I could have shared in the celebration of this beautiful women's life! She will always hold a very dear and special place in my heart! I love you all and my thoughts and prayers are with each and everyone of you! Hugs to all!*
