Sue was the youngest of eight children born to Gerald and Connie and enjoyed many childhoods memories camping, going to Six Flags, and any activity near water. “ *I will always have fond memories of our golfing trips and other times spent together. It was much more than about golf. It was about love and life. I will miss our times together but will cherish the memories. I am so grateful that our paths crossed. I feel Sue is so surrounded by love, now more than ever. I wish peace, grace and love in the days ahead for her family and friends.*
