“ *I was in my early teens when I was welcomed into the Hamilton clan when my father adopted me in my early teens. Aunt Barbara was the first person to welcome me into the family and made me feel like I belonged. She was always such a caring soul and did have a kind word for everyone. I hate it that I wasn't informed of your passing, Aunt Barbie. I have fallen out of sync with my father and the entire Hamilton family. Had I known, I would have tried my best to have been there for both you and all of your loved ones. Rest well, Great Lady!*
