“ *Barry came over a few times in the past 6 mths. And we would sit around and talk bout the old days lol. But the last time he came over was about 3wks before he went in hospital. We were showing each other pics of our grand babies and our fur babies of course. I looked at him and said look at us, we are now the old ones! He started laughing and said I know. We were having fun and talked for about 3 hrs. That is a memory that I will remember for the rest of my life.:) R.I.P. Barry gonna miss you.:(🙏*
