Gail I am so sorry for your loss. You two always seemed to be so devoted to each other and always having so much fun. You may not remember me, but I met you at Arnold Cafe and then again at Webers. I will be in prayer for you. Jan Purvis

So very sorry to the Naes family. Ben and I graduated together. He was one of my favorite friends even though we didn't hang together a whole lot. He was a special human.
