“ *Dad are hearts are heavy and tears are flowing but we know in our heart that you will be with us always in all the memories we have with you. You are in a beautiful place now with your parents and your son with no more pain and suffering. Please watch over your wife, children, grand children and great grand children and give them signs that you are happy and that everything will be okay with them. Please be with your son Bill on Saturday mornings for he truly misses the coffee clutching he had with you every week. We love you dearly.*

“ John and I miss you already, especially John.. You are a very special person and a great friend. We had a lot of fun times going to the blue grass festivals. I am so sorry we never made it to Ted Drews. That is one thing you and John had in common, pie and Ted Drews. Be assured that we will be there for Bev and the kids as we have kinda adopted them, they all are really special to us. We love you, John and Joan Cavagna, High Ridge, Mo
