“ I used to babysit Benjamin, Nicholas, and Baylee, and although I don't remember alot, I remember Benjamin was funny, and without even trying . The kid was just naturally funny. I do remember walking them to quick trip to get snacks and drinks and they would take their change they had been saving and buy a candy bar or doughnut. One time I didn't have any money on me and the boys put their change together so I could get my stuff. Later when I gave them their money back they both came back to me and said, "We want you to keep your money because we know you really need it." I'll never forget that. Nobody made them do that, that's just heart they have. Such good boys, and now young men. Benjamin you will surely be missed.

I loved babysitting them. Benjamin always had me cracking up. 8o'clock in the morning and he would be sitting on the couch playing his little guitar in his undies.
