“ Ed was the Federal commander at a number of Civil War reenactments I attended. I remember him as a leader who knew what he was doing and did it well, and knew how to get the best out of people, and I learned a lot serving under him as an inexperienced artillery officer. I was pleased to have a chance to talk to him at the Huzzah event in 2008 and remember old times. He will be missed.

“ Here's to a great man who will be missed by all in this world. May your campfire never run out of wood and may your horse never be lame in heaven friend of my father. Rest in peace knowing you did some great works in this world. And wait for us in Fiddler's Green.
