“ *I have so many wonderful memories of my Grandma. Getting to spend almost every summer with her growing up was an absolutely amazing experience, she taught me so much in such a little time. I wish I would have spent more time with her later in life. I love you Grandma and know I will see you again one day. Just please remember I do not like Ham and Beans ;)*

“ Grandma Moss was a loving and caring person. And, we are so thankful we got to spend time with her in August of 2013. We have so many fond memories of her and are thankful to have had the pleasure of spending valuable time with her. We will miss her, but we are glad she is in a better place now with the Lord. We can't wait to see her again in Heaven.
