“ *Truly a one of a kind person..Betty loved life and people! We have known each other for years and then our paths crossed again when our children married! Her smile, her laugh are things I will always remember about her. Her willingness to help anyone was a true measure of the kind of person she was. She will be missed by all who knew and loved her. Paula and Tad, I am so very sorry for the loss of your sweet Momma but always look back at the times you had with her and you will smile. She is right there in your hearts always..with love, prayers and thoughts. Maw and Pa Jennewein (Dale and Pat)*
