“ *She will always be apart of my life ad a friend. It was great reconnecting with her on fb. We grew up together and my parents were her parents friend. Dad to hear she left. Enjoyed all her pictures.*

“ *Betty and I grew up in Valley Park together, going from Kindergarten through High School Graduation. She was a wonderful student, friend and wife / mother, who will deeply be missed by so many. I know that the pain the family is feeling right now seems overwhelming, but know that the pain will turn into beautiful memories of Betty.*

Betty will always be with you in your hearts, thoughts and souls.

My sincere sympathy in the family's loss. God Bless each and every one of you.
