“ *My aunt Betty was a lady that would tell it like is but she would do anything for her family. Her sister and best friend was my grandma. I lived a very long way from my grandma and Aunt Betty. When they would come and visit us, Aunt Betty always drove because my grandma never learned to drive. I am very thankful for Aunt Betty for coming to visit so many times. My best memories of Aunt Betty are of her and grandma discussing the issues of the day at the kitchen table and a ton of laughter. I will miss Aunt Betty and will always remember her.*
