“ I would like to send my condolences to the entire Rector family at this most saddened time.

Mrs. Rector was a very charming lady that was loved and admired by all who knew her. She enjoyed life to its fullest. Her plants & flowers were her biggest attributes and had the upmost success in creating the most marvelous flowers and plants on our Lord & Savior's planet!

Betty Lou will be missed by many who knew and loved her throughout the years and places she lived.

Now sprout your wings Betty Lou and soar the universe and touch those who need your loving touch and guidance, as you are now in the heavens and the land of paradise.
