“ Betty always had a gentle way of speaking and compassion for others. Although we had not spoken recently by phone, I often thought of her. I know Dad loved her very much and was proud of her, as was I. My thoughts and prayers are with her children. We were bonded by our Dad and I will be forever thankful that we shared that. Betty, Pat & I were Dad's girls and sadly I have lost Betty and Pat. However, someday God willing, I will see them again.
