“ *Betty was my cherished neighbor and friend. We had so many fun times together from going to movies, lunches, dinners, and get togethers in our neighborhood. I loved her visits to my home, where I always had her favorite chair available, and we would laugh, cry, reminisce, and share some private jokes. She loved my cooking and I loved feeding her! She was a devout Christian and lived her life living those values. I will miss her always but I have no doubt that God had a special place waiting for her and that one day I will join her. Rest in Peace my dear Betty.*

“ *I met Betty through my mom. Maureen Peterson. They did a prolife trip to Washington together and became fast friends! Betty was looking for a hairstylist and my mom and several other ladies encouraged her to try me out. We were kindred hearts and enjoyed our weekly talks as I made her pretty. We loved sharing about Jesus and all he was doing in our lives. Once my momma passed, I called her my bonus mom! She even had my moms same bday. What a kind, generous, and encouraging soul. I loved her so much and and so glad I have the assurance of seeing her again in paradise!*
