“ I am heartbroken for Bev's sisters and my friends, Marge and Rita, as well as her partner, Georgia, and her nieces, nephews and other relatives. Growing up in their neighborhood, I spent many hours at the McNulty household. I was one of her private piano students and enjoyed learning from her as a teen. I am praying for all of you who are her loved ones and for Bev's joy in her new life.

“ I have fond memories of Bev as a former colleague at St. Anthony's Medical Center (now Mercy South). She was sweet and quiet.
