“ So sorry to hear this. We were classmates at Hancock High in Lemay. Another classmate told me that Bill was on the wrestling team for 3 years and who also said "We all nicknamed him Wild Bill . great memories of a really nice guy." I've attached photos from the 1965 and 1966 yearbooks. Bev (Martin) Dougherty

“ I miss you already it doesn't seem like you could be gone we've rode so many miles laughed so many laughs i wish we could have lived in the same city and run together everyday even though we lived 320 miles apart we talked on the phone every week or two we had so much in common Harleys , boats , camping, hunting i can still remember you getting us in trouble with our Dads everytime you would come to visit when we were kids our memories of the times we went to sturgis and planning the smokey mountain trip hell we could probably be in the same jail cell lol no not you Santa i was the bad boy but i can tell you one thing we were definitely the talk of the family everyone says we look like brothers instead of cousins and yes i have always considered you my brother so find us a parking space in front of a biker bar and order us a stiff bloody mary and find a scenic road to travel cause we will be together again i love you and everytime im riding on the bike listening to some riding music i will be thinking about you as i day dream i love you my brother .

“ Bill and I were married for almost 36 years. He was not only my husband but my best friend as well. He loved his family more than anything and so enjoyed playing Santa. We have many good memories and he will always be in my dreams and my heart. Bill I love you more and I know that you're watching over me. Enjoy time with your family and friends in heaven and ride that Harley. I love you baby and my life will have an empty spot without you.
