“ I met Bill shortly after I joined the Elks and he and Kathy have been near and dear friends of mine since. He loved the Elks and all the organization stood for. Over the years we talked and even challenged each other over and over regarding many matters concerning the order. The year I was elected All Star of my district is the year Kathy became a member. He was such a great friend and such a great person; always offering his advise or assistance anytime he could.

I will miss him beyond words can express but I must remember, as he would want me to that the loss of life is not the end but a beginning. ~ To my absent Brother.

My deceased husband Bruce Jones and Bill Stoeckel were charter members of the Cedar Hill Elks . That is when I met Bill and Kathy and their daughter. So many years of fun and memories I share with them. Dances, lipsyncs , club room comraderie and just plain fun. Love Kathy and Bill Most definitely a big part of my life in Cedar Hill.

I didn't get to see my Uncle Bill much as an adolescent or adult. Therefore most of my memories stem and remain from childhood. And they are definitely great memories.

Uncle Bill was what this generation of fathers and husbands should strive to be. Kind, caring, loyal and fair. I can remember how exciting it was to me as a child to see Uncle Bill, Aunt Kathy and Trina.

Some of my memories include a trout fishing trip I was taken on by him as a child, my Aunt Kathy taking care of my car sickness on the way home.....a scruffy dog named Benji? And an 8 track of the Saturday Night Fever Sountrack sent home with my parents from him(that i still secretly like). Bill was a great person who I will never forget!

We met Bill and Kathy in 1974. They stood up for John and I when we were married in the catholic church and they are the godparents to our daughter Jennifer. We had many great times together playing volleyball and going on trips together. Bill will always be remembered as a great man, husband, father and friend to many. Rest in peace, Bill!
