“ My favorite memory of Be is, when she walked up to the plate with her homerun hitting orange bat, throw her hair off her shoulders, wind that bat three times, adjust her ring and then Pow. That was at every bat, to get set. She was my dearest friend and I am going to miss her!

*I'm Mary's little sister. I know how much Be and the Johnson family meant to Mary (and Pat) , they were very special people in their childhood! Mary always told me about calling Be and sometimes hard to get ahold of but when she did they loved to reconnect and talk ! My sympathy and condolences to all the family and all who loved her. She was a sweetheart!*
