“ Remember as a preteen, you would come to our house for Christmas gift 🎁 buying with you, Courtney and Brittany. Each would get an equal amount to be spent on each other that would take hours at West County, South County and various other malls and stores. Then, it was always kids eat free at Denny's on Saturday night with a sleep over at our home that night.

Sunday morning was breakfast and then to church 🏰 which you looked forward to especially when they had story time as the adults listened to a homily. Back home to our house for lunch and then it was time to meet your Mom or Dad at the ride share lot since it was half way between our house and yours.

Fantastic memories your aunt, uncle and cousins will never forget.
💕 Love Aunt Cindy, Uncle Mark and cousins Courtney and Brittany.

“ A couple of weeks or so ago Blake visited TDL Campground. We were at my RV to catchup on things because we hadn't seen her in a while. She brought up memories of her as a child coming here with her family and remembered her mom sending her over to my place to brush and braid her hair in the mornings. Blake was a beautiful person with a contagious smile and a pleasant person to talk with. Blake will be dearly missed.

“ Blake was a beautiful, caring, vibrant person. I could not be more grateful for all the amazing memories I shared with her. She loved being outdoors it was her favorite. We would always go to castlewood park and hike and take a lot of walks. She loved every single child like it was her own, I remember the first time she healed my brother's son. She was such an intimate person with a heart the size of Arizona but not so arid. She was also the best cook, she could have run a successful restaurant. Blake truly was a very jovial person and there was never a dull moment when she was around. I extend my deepest sympathies to one of the strongest & caring families I have ever been around. May the care and love of those around you provide comfort and peace to get you through the days ahead. My most sincere condolences.
