“ *Every moment I had the privilege to spend with Blake was a beautiful gift.*

I know there are many people who know and love Blake and have never met him in person. I want to reassure you that he is near us all.

You can sense him in bright moonlight up high in the dark blue skies, he is the warm kiss of sunlight you feel upon your face, he is the little bluebird singing in the tree up above, he is the peaceful ocean waves coming in to greet you as you stand on the beach, he is the fresh smell of fresh rain in the spring air, he is the melody of the wind chime you hear in a crisp wind blowing by....he is near us all now.

Lili loves you Blake and I will always feel you near.
