“ *I remember when I was little, we were down in Fremont. And we were all going to the current river for the day. Uncle Bob and Aunt Joyce were going to the dry goods store in Van Buren. I got ride with them and go to the store too. Uncle Bob bought me the coolest pair of sunglasses. They were wire framed and had pink lenses. I really thought I was something. And too top it off on our way back to Great Grandma Wray's, we stopped and got ice cream! Love you Uncle Bob, you will be missed.*
