“ *Bob (or as I called him for most of my adult life, 'Pop'!) was a great father figure to me. At times he could be as tough as nails and at other times as gentle as a teddy bear. He instilled in me a hard work ethic and respect as well as an ability to laugh and enjoy life. I'll always remember his thunderous laugh and lessons about life. I will miss him terribly but remember him fondly forever. Charlie Winn*
