“ *I had first met Bobbie Waymon in the 6th grade of Briar Crest elementary school in St. Ann MO. WE had stayed in contact off and throughout the years. She had married a neighbor of mine. After had not seen her since before I entered the Marine Corps. She had a beautiful smile and laughter you couldb never forget.*

“ *Bobbie, I will always remember you for your encouragement and that "get real" look that would turn into a smile. You were dedicated to teach us to be the best MA's we could be. I think of where I am today and it is because of you and your colleagues. You weren't just a teacher but a friend too. You will be missed by all who knew you. Your light will continue to burn in our hearts.*
