“ Bobby Davis will always be remembered as an honest person that loved his family. Bobby also valued his friends. He liked to talk about the meaning of life. He shared his thoughts and point of view in a way that most are afraid of. I will always love Bobby Davis. I plan to keep his memory close and bring his name up often. I might even shoot a message to someone out of the blue like he always did. In my opinion, Bobby embodied the essence of unconditional love. We all have our challenges in life we must face, its not our purpose to judge those that struggle with their own. Rather as Bobby once told me it’s our duty to choose “Do they deserve to be loved?”
