“ Will miss this great ole friend from Willow Springs. We always had a story to talk about and it was always so exciting every time we spoke. One we will cherish is when he told of his younger days when he began his mark on this world as a young adult, as Bobby Roberts. He has several albums from those days now gone, but we relished over them together one day as we played several of them on the computer. Such a loss to our community and this earth, as he was sharp and great company, but we can't begin to imagine the loss to his dear family. <http://www.bopping.org/bobby-roberts-im-gonna-comb-you-outta-my-hair-1955/> Sing on, old friend.
